

Agriculture Sub-Sector

National Tobacco Administration

Mandate:

- o To establish a dynamically, progressing, technology enhanced Philippine Tobacco Industry internationally recognized as a “reliable supplier” of consistent quantity and quality tobacco products;
- o To establish institutional system that shall harness all efforts and resources towards the promotion of local leaf and products in the international market;
- o To promote technological, social, economic and political empowerment of the tobacco farmers for them to become “total farmers”; and
- o To maximize industry’s contribution to national development through increasing revenue for the government.
